

Rotary & Confrerie d'Abbeville

Trailer Rental Agreement

The 8.5ft x 24ft bumper pull trailer is a joint ownership of the Confrerie d'Abbeville "Giant Omelette" and the Abbeville Rotary Club, purchased in 2023. Use of the trailer is at the discretion of both organizations. The trailer can be loaned or rented at the discretion of the respective organizations since both are non-profit. A request to borrow the trailer for a "worthy" cause could be granted at no charge. If used for a party or other event, it would be rented for \$300 per day (to help with expenses and maintenance and earmarked as such).

Each organization will have a designated "go-to" person to oversee the use of the trailer. The trailer will be stored at 810 West Port Street, property of Whitney Atchetee, Premiere Grand Maître of the Confrerie. Any issue encountered shall be relayed to the other organization. The "go to" person for the Confrerie is **Whitney Atchetee, Phone: (337)-251-5887**, Email: whitneyatchetee@yahoo.com. The Confrerie shall be in charge of the trailer when stored at the designated site. When removed from the storage site by either organization, that organization shall assume full responsibility thereof until returned to the storage site. The "go to" person for the Rotary Club of Abbeville is **Rob Roy, Phone: (337)-523-0551**, Email: Rob@abbevilleelectric.com

If either organization loaned or rented the trailer to another party, that organization should obtain a signed copy of the "Lease Agreement" from the Lessee.

When returning the trailer to its storage site, the returning party shall exercise extra care in parking the trailer on the concrete drive while leaving parking space between the other trailers. This precaution is necessary to facilitate mowing the adjoining grass lawn.

It is understood that each organization has pre-designated events for trailer use. Each organization shall notify the other as soon as the dates of these events are determined. This is necessary to avoid conflicts due to maintenance or modifications to the trailer that the Confrerie may schedule.

Person taking delivery and responsibility for trailer:
