

# ROTARY PRAYER

By Rotarian Charles E. Dill, Sr.  
Abbeville, Louisiana 1916-2002

Our Heavenly Father we thank you for this beautiful day and the privilege of attending our weekly rotary meeting.

Please make us aware of the blessings afforded in the fellowship, community and international service we share.

We ask a special blessing on our officers, directors and visiting rotarians and guests who honor us with their presence.

Please imbue in each of us a desire to always pray for each other in love.

All of these favors and blessings we ask of you in the name of your divine son.

Amen.
